

DAWG BOYS WINGS CHALLENGE

We're bringing the **Wings Challenge** to **Dawg Boys Burpengary** to turn up the heat, create buzz, and bring the community together for a fun, fiery showdown! It's not just about the food – it's about celebrating local legends, creating memorable moments, and showing what Dawg Boys is all about: bold flavours, big energy, and unbeatable vibes. Whether you're competing or cheering from the sidelines, this event promises food, fun, and fierce competition!

Think you can handle the hype? Here's what it takes to win:

The Challenge:

Eat 20 Southern Fried Original Wings in 10 minutes or less.

The Rules of the Game!

The Winner:

Only the first person to finish 25 wings in 10 minutes will win the prize.

No Takeaway:

This is a dine-in only challenge. All wings must be finished in-store within the time limit. No packing up leftovers!

Clean Bones Only:

Wings must be cleanly eaten – no cheating! Any wing with visible meat left on the bone will not count toward your total.

Time Starts Now:

Once the timer begins, no breaks, no pauses, no distractions. It's you vs. the wings.

No Assistance:

Participants must complete the challenge on their own – no help from mates, sauces, or beverages to wash it down faster.

Stay Seated:

You must remain at your table during the challenge. Leaving your seat may result in disqualification.

No Messing Around:

Any intentional mess-making, food throwing, or disrespectful behavior will lead to immediate disqualification.

Hands and Mouth Only:

Use of tools, forks, knives, or any external aid is not allowed – wings must be eaten the Dawg Boys way!

Chew and Swallow:

All wings must be fully chewed and swallowed before the 10-minute mark. No stuffing at the last second!

Photographic Evidence:

We'll be snapping pics and filming for the Dawg Boys Hall of Fame – participation means you agree to be featured on our socials!
